SE TYLOSE LOUISIANA TO CONDUCT JOB FAIR FOR SOUTH LOUISIANA MANUFACTURING FACILITY

Industry job fair will be July 29 and 30, at the Mathematics, Science, and Arts Academy.

Plaquemine, La. – SE Tylose, supported by LED FastStart® and the Louisiana Workforce Commission, is scheduled to host a job fair from 5:00 p.m. to 8 p.m. July 29 and 30 at the Mathematics, Science, and Arts Academy, 57955 Saint Louis Road, Plaquemine Louisiana, 70764.

The job fair will target filling the following positions: Process Operators, Laboratory Technicians, Electrical and Instrument Technicians, and Mechanical Maintenance Personnel. For a complete listing of open positions for SE Tylose, visit www.laworks.net.

Candidates must be 18 or older and have a high school diploma or a GED certification or equivalent. A two-year vocational/technical degree is preferred, plus a minimum of two years of industrial experience. Candidates must be willing to work rotating shifts and holidays, work well with team members, and are willing to take a drug screen test.

Full time employees are eligible to participate in the Health Care, Dental Care, Vision Care, Short and Long term insurance, 401(K) and paid time off (PTO) benefits.

SE Tylose - is building a manufacturing facility on the Shintech site in Plaquemine, Louisiana that will be environmentally sound, safe, and professionally managed.

About SE Tylose

SE Tylose LA is a subsidiary of the Shin-Etsu-Group, which is based in Japan. SE Tylose, LA will develop, produce, and sell water-soluble cellulose ethers under the trade name **Tylose**®. These products are used in wide variety of application fields. The portfolio comprises methyl hydroxyethyl cellulose (MHEC), methyl hydroxypropyl cellulose (MHPC) and hydroxyethyl cellulose (HEC) as well as further additives (starch ethers and surfactants for dry mortars).
